IRAs AND KEOGH PLANS Citibank, N.A. is custodian of your Citibank IRA and trustee of your Citibank Keogh Plan.

CHECKING PLUS DISCLOSURES

Checking Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid interest charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (Variable Rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The Interest Charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the interest charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table titled "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366.) For Checking Plus (Variable Rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

The total interest charges paid during the year will be shown on your statement. We may report interest charges as assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total interest charges paid during the year will be reflected in your credit report.

Information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citicard Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-4003

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement. You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual Agreement for details.

1. Your Combined Average Monthly Balance (CAMB) is the summation of the End of Day Available Now balances for all Eligible Deposit and Investment accounts (EDIs) across a calendar month divided by the number of days in that month. CAMB is based on the calendar month and is not tied to Your Statement Period. Only certain account types qualify as EDI accounts and you must be the owner (or beneficial owner) of an EDI account for it to contribute toward your CAMB. All of the EDI accounts contributing to your CAMB may not appear on this Account Statement. Some accounts that appear on this Account Statement are not EDI accounts. Please call us to learn which EDI accounts you own that contribute to your CAMB.

Eligible Family Members who live at the same address can choose to link their EDI accounts creating a Family CAMB range. Please see definition of Eligible Family Members in the Family Link section of the Client Manual Agreement. Retirement accounts have different rules for Family Linking than other EDI accounts. You may invite or be invited by Eligible Family Members (Members) to Family Linking. Starting in the first month existing deposit customers who are Eligible Family Members ("Members") successfully join or create a Family Link, their family CAMB will include EDI accounts they own along with EDI accounts owned by Members. If you were converted to a Legacy Relationship along with owners of accounts in your Package(s) pursuant to separate notice which provided the Effective Date of that conversion, similar to Family Linking the CAMB for Members in Legacy Relationships will include all EDI accounts they own along with EDI accounts owned by Members. Your family or legacy relationship CAMB may be higher than your individual CAMB, entitling you to join a Relationship Tier or different Relationship Tier. If you no longer want to be a member of Family Linking or a Legacy Relationship or no longer qualify for Family Linking or Legacy Relationships, speak to a banker on the phone or in a branch. Please see the Client Manual Agreement for more information on Family Links and Legacy Relationships.

2. Your Relationship Tier status will determine your Annual Percentage Yield for Citi Savings accounts (but not other Savings accounts) and may impact your eligibility for Monthly Service Fee and Non-Citi ATM waivers, along with other fees, features and benefits. Customers who did not own a Citibank checking, savings, CD, IRA, or investment account (investment accounts are offered through CGMI) in the 30 calendar days prior to opening their new EDI account ("New to Relationship" customers) may choose their Relationship Tier when opening the new EDI account. Re-Tiering will begin reviewing New to Relationship customer CAMB in the first full month after account opening, but it takes three months of sustained Balance Ranges for an Up-Tiering or Re-Tiering Out change. Unless a Tier exception applies, customers are Re-Tiered automatically on the first calendar day of the month. Through Re-Tiering, if an existing customer CAMB range meets the minimum Balance Range required for a higher Relationship Tier for three consecutive calendar months, they will automatically be Up-Tiered. If an existing customer wants to maintain their Relationship Tier, they need to make sure their CAMB does not drop below their Relationship Tier's minimum Balance Range for three consecutive calendar months.

You may be able to join Relationship Tiers faster and maintain Relationship Tiers by enrolling in Tier Acceleration. For three months after enrollment, Citi will review your "End of Day" balances on the last Business Day of the month across all EDI accounts you own ("EOD Balance"). Your EOD Balance is your Available Now Balance across eligible deposit and investment accounts at 10:30 p.m. EST. If your EOD balance meets the Balance Range for the same or a higher Relationship Tier on one or more eligible months, you will join that Relationship Tier on the first day of the next calendar month.

Your individual Account Statement will show both your current monthly Relationship Tier and up to 3 months of CAMB and Relationship Tier history.

Important: When customers own accounts as Joint Owners, the Relationship Tier associated with their account will be determined by the highest Relationship Tier among joint owners. The CAMB shown on a joint Account Statement will show the highest CAMB range among account owners.

Important: On statements, Joint Account owners will see the highest balance range of CAMB and highest Relationship Tier among Joint Account owners. Family Relationship members will see the Family CAMB range. Members in a Legacy Relationship will see the Legacy Relationship CAMB range. As a result, Joint Account owners, Family Linking members, and Members of Legacy Relationships may be able to deduce approximate balances of other owners and members. When deciding to open a Joint Account, join a Family Linking, or remain in Legacy Relationships, customers should evaluate their privacy needs, along with their need for rate and fee advantages.

Please also carefully review any fee disclosures provided at the time of a transaction or when a service is provided, such as when you open a Safe Deposit Box or order checks.

Unless you enroll in Tier Acceleration, your CAMB is reviewed on the last calendar day of the month, which may be before your Statement Period Date. If you join a Relationship Tier before your Statement Period Date, you will receive a partial-month Account Statement beginning on your existing Statement Period start date and ending on the day before you join a Relationship Tier ("Partial Month" statement). Unless you are eligible for a fee waiver as shown on your Partial Month statement, you will be charged Monthly Service Fees and Non-Citi ATM Fees.

If you have questions about marketing communications, please visit www.citi.com/offersforyou or call 1-888-500-5008(TTY: We accept 711 or other Relay Service).

You are Citigold Private Client for May 2024

When customers own accounts as Joint account owners, the Combined Average Monthly Balance shown on their Joint Account Statement will show the highest Combined Average Monthly Balance range among account owners. The Relationship Tier associated with the account will be determined by the highest Relationship Tier among joint owners. Different processes -New to Relationship customer status, Re-Tiering, Tier Acceleration, and Tier Exclusions- determine whether an individual owner is eligible for Relationship Tiers.

When not linked to a checking account, savings account balances (excluding Citi Miles Ahead Savings) for the calendar month prior to the end of the monthly statement period will be used to determine your Average Savings Balance, which determines if you receive a monthly service fee. CHECKING PLUS DISCLOSURES

Checking Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid interest charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The Interest Charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the interest charge by (1) multiplying each of the average daily balances by the number of days this rate is in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 366.) For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total interest charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citicard Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-8003

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement.

You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and Federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual Agreement for details.

Billing Rights Summary - What To Do if You Think You Find A Mistake On Your Statement

- **Description of the Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.

1. Your Combined Average Monthly Balance (CAMB) is the summation of the End of Day Available Now balances for all Eligible Deposit and Investment account(s) (EDI) across a calendar month divided by the number of days in that month. CAMB is based on the calendar month and is not tied to Your Statement Period. Only certain account types qualify as EDI accounts and you must be the owner (or beneficial owner) of an EDI account for it to contribute toward your CAMB. All of the EDI accounts contributing to your CAMB may not appear on this Account Statement. Some accounts that appear on this Account Statement are not EDI accounts. Please call us to learn which EDI accounts you own that contribute to your CAMB.

Eligible Family Members who live at the same address can choose to link their EDI accounts creating a Family CAMB range. Please see definition of Eligible Family Members in the Family Link section of the Client Manual Agreement. Retirement accounts have different rules for Family Linking than other EDI accounts. You may invite or be invited by Eligible Family Members (Members) to Family Linking. Starting in the first month existing deposit customers who are Eligible Family Members ("Members") successfully join or create a Family Link, their family CAMB will include EDI accounts they own along with EDI accounts owned by Members. If you were converted to a Legacy Relationship along with owners of accounts in your Package(s) pursuant to separate notice which provided the Effective Date of that conversion, similar to Family Linking the CAMB for Members in Legacy Relationships will include all EDI accounts they own along with EDI accounts owned by Members. Your family or legacy relationship CAMB may be higher than your individual CAMB, entitling you to join a Relationship Tier or different Relationship Tier. If you no longer want to be a member of Family Linking or a Legacy Relationship or no longer qualify for Family Linking or Legacy Relationships, speak to a banker on the phone or in a branch. Please see the Client Manual Agreement for more information on Family Links and Legacy Relationships.

2. Your Relationship Tier status will determine your Annual Percentage Yield for Citi Savings accounts (but not other Savings accounts) and may impact your eligibility for Monthly Service Fee and Non-Citi ATM waivers, along with other fees, features and benefits. Customers who did not own a Citibank checking, savings, CD, IRA, or Investment account (investment accounts are offered through CGMI) in the 30 calendar days prior to opening their new EDI account ("New to Relationship" customers) may choose their Relationship Tier when opening the new EDI account. Re-Tiering will begin reviewing New to Relationship customer CAMB in the first full month after account opening, but it takes three months of sustained Balance Ranges for an Up-Tiering or Re-Tiering Out change. Unless a Tier exception applies, customers are Re-Tiered automatically on the first calendar day of the month. Through Re-Tiering, if an existing customer CAMB range meets the minimum Balance Range required for a higher Relationship Tier for three consecutive calendar months, they will automatically be Up-Tiered. If an existing customer wants to maintain their Relationship Tier, they need to make sure their CAMB does not drop below their Relationship Tier's minimum Balance Range for three consecutive calendar months.

You may be able to join Relationship Tiers faster and maintain Relationship Tiers by enrolling in Tier Acceleration. For three months after enrollment, Citi will review your "End of Day" balances on the last Business Day of the month across all EDI accounts you own ("EOD Balances"). Your EOD Balance is your Available Now Balance across eligible deposit and investment accounts at 10:30 p.m. EST. If your EOD balance meets the Balance Range for the same or a higher Relationship Tier on one or more eligible months, you will join that Relationship Tier on the first day of the next calendar month.

Your individual Account Statement will show both your current monthly Relationship Tier and up to 3 months of CAMB and Relationship Tier history.

Important: When customers own accounts as Joint Owners, the Relationship Tier associated with their account will be determined by the highest Relationship Tier among joint owners. The CAMB shown on a joint Account Statement will show the highest CAMB range among account owners.

Important: On statements, Joint Account owners will see the highest balance range of CAMB and highest Relationship Tier among Joint Account owners. Family Relationship members will see the Family CAMB range. Members in a Legacy Relationship will see the Legacy Relationship CAMB range. As a result, Joint Account owners, Family Linking members, and Members of Legacy Relationships may be able to deduct approximate balances of other owners and members. When deciding to open a Joint Account, join a Family Linking, or remain in Legacy Relationships, customers should evaluate their privacy needs, along with their need for rate and fee advantages.

Please also carefully review any fee disclosures provided at the time of a transaction or when a service is provided, such as when you open a Safe Deposit Box or order checks.

Citigold Account Package Fees

The Citigold Account Package requires a minimum combined average monthly balance of \$200,000 in eligible linked deposit, retirement, and investment accounts. If you have a Citibank secured credit card, then Citibank will also include the balance in your Collateral Holding Account or your Certificate of Deposit that secures your Citibank credit card. These balances may be in accounts that are reported on other statements. If you do not maintain a minimum combined average monthly balance of \$200,000 in eligible linked deposit, retirement, and investment accounts, your Citigold Account Package will be converted to a Citi Priority Account Package, and your accounts will be subject to the terms and conditions then in effect for that package. Other banks and ATM service providers may charge you a fee when you conduct a Citibank deposit account transaction using their ATMs. You will receive reimbursement from Citibank for ATM fees charged by other banks in any statement period where you are eligible for Citigold.

CHECKING PLUS DISCLOSURES

Average Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid interest charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The Interest Charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the Interest Charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366.) For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total Interest Charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citicard Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-8003

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement. You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and Federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual for details.
